

New North of Tyne Osteoporosis Treatment Guidelines (NOT Guidelines)

Did you know that the North East has by far the highest hip fracture rate in England?

Are you confused by the current NICE guidance, or unsure of the NOGG tools?

We have the answer-

3 Local launch events of these practical guidelines,
with interactive presentations,
aimed at Primary Care and Fracture/ Falls services.

Tues 22nd Sept, Cheviot Suite, Holiday Inn Seaton Burn

Thurs 1st Oct, Education Centre, Freeman Hospital

Wed 7th Oct, Education Centre, North Tyneside Hospital

Buffet at 7pm

Presentation starts at 7.30pm

Free to attend - no booking required
